Nickerson

Community Workshop

NOVEMBER 18

6:30 - 8:00 p.m. | Nickerson Community Center, 11 N. Nickerson St.

Help Shape Your City's Future and Unlock Funding for Community Projects

Join us for an interactive gathering to discuss results of the Nickerson Love Where You Live survey and discover what matters most to your residents. This is your chance to brainstorm with neighbors about ideas and actions that can make your town an even better place to live.

Plus, you can learn more about project funding opportunities through Hutchinson Community Foundation and other sources. Your participation can lead to real change—together, we'll build a brighter future for our community.

Families welcome. Need more information or to request special accommodations? Visit RenoSurvey.com or call 620-663-5293.
